

Directions: For each question, translate the symbolic notation into plain English.

Example:

Where T stands for “Timothy drives fast” and S stands for “Stephanie is in labor”...

$S \rightarrow T$

should read: “If Stephanie is in labor, then Timothy drives fast.”

Where JD stands for “Jimmy makes dinner” and AS stands for “Andrea sets the table”...

$AS \rightarrow JD$

should read: If Andrea sets the table, then Jimmy makes dinner.

Where MD stands for “Moses is dead” and PC stands for “The pyramids are crumbling”..

$MD \rightarrow \sim PC$

should read: If Moses is dead, then the pyramids are not crumbling.

Where FW stands for “Federer wins his match” and $\sim NW$ stands for “Nadal does not win his match”...

$FW \rightarrow NW$

should read: If Federer wins his match, then Nadal wins his match.
